

**JACKSBORO PLANNING COMMISSION
JUNE 5, 2008
6:00 P.M.**

The Jacksboro Planning Commission met in regular session Thursday, June 5th, 2008 at 6:00 p.m.

Present: Weaver, Evans, Forstner, Burden and Cunningham.

Also, present was Midge Jessiman with the State Planning Office.

Motion made by Forstner second by Evans to approve previous minutes. All present voted yes. (May 13th, 2008 minutes)

Motion made by Forstner second by Burden to approve Re-certified Zoning Map dated April 2008 and to take this motion to City Council for approval. All present voted yes.

Midge Jessiman presented Planning Commission with the New Natural Factors Affecting Development Maps dated June 2008.

Motion made by Forstner second by Evans to ask City Council if the City Attorney would send a letter to Steve Grimm concerning property on Myers Street. The property is a vacant lot and before anything could be built on property this would have to come before planning commission for approval and the property would have to have a certified compaction test. This property did not meet requirements when it was brought before planning commission on February 1, 2007. All present voted yes.

Motion made by Burden second by Forstner to ask City Council if the City Attorney would send a letter to Tommy Higdon concerning property on Main Street (Old Hwy 25W). The property is a vacant lot and before anything could be built on property this would have to come before planning commission for approval and the property would have to have a certified compaction test. All present voted yes.

Midge Jessiman presented the Annual Report & Planning Program Design 2008-2009 to planning commission to look over and to put on July's agenda for approval.

Items to be put on agenda for July's meeting are Annual Report & Planning Program Design 2008-2009 and Land Use Plan.

Motion made by Weaver second by Forstner to adjourn. All present voted yes.

Meeting adjourned at 6:45 p.m.
